MISSION STATEMENT. “To promote the whole health and wellness of individuals and communities by developing progressive systems of behavioral health care facilities, housing, and service programs in collaboration with providers of social, judicial, health care, and Veterans services.”

ColumbiaCare is in the business of changing people’s lives. We help people become self-sufficient to the greatest degree possible, to experience wellbeing, and meet their full potential in their relationships and everyday life. We specialize in designing, developing, and operating a full continuum of mental health care in the community, whereby people can receive the most clinically appropriate treatment based on their individual needs and strengths.

OUR SERVICES INCLUDE:

- Licensed Residential Treatment
- Supportive and Integrated Housing
- Crisis Services & Programs
- Suicide Prevention
- Veterans Housing & Reintegration Services
- Integrated Outpatient Services & other Community-Based Care
- Rental Assistance Programming
- Supported Education & Employment, and
- Peer Support Services

ColumbiaCare currently serves Oregon, Washington and Idaho. Most referrals are by way of State, Coordinate Care Organization, Community Mental Health agencies, or the Veterans Administration; however, we also process private requests for services.
