Crisis Residential Treatment Facility

**ADMINISTRATOR:** TAJI ALLEN, QMHP  
**PHONE:** 541.816.4131 | **EMAIL:** TALLEN@COLUMBIACARE.ORG

The Beckett Center is able to serve up to 14 individuals who are experiencing a mental health crisis, but do not require acute psychiatric hospitalization. This service is available to JCC and AllCare CCO Members, as well as the indigent and under-insured Jackson County population, based on a low-barrier referral and authorization process.

## SERVICES PROVIDED:

- Short-term crisis intervention and stabilization for individuals ages 18 and up in an ADA-accessible co-ed licensed secure Residential Treatment Facility.
- 24-hour access to a caring and professional team of staff dedicated to offering a safe, healing environment.
- Medication management services, including:
  - supervision of self-administered medications
  - brief psychiatric assessment by a Licensed Medical Professional, if needed.
  - bridge medications, if needed.
  - daily nursing support

## ADMISSION CRITERIA:

- Individual is in need of support to prevent and/or resolve a crisis.
- Individual is willing and able to contract for safety and consent to treatment, including medication compliance.
- Individual is able to self-administer needed physical care (CBG's, insulin injections, CPAP, oxygen, wound care, etc.). Nursing delegation is available dependent on individual's level of need.
- Individual is willing and able to avoid behaviors that will negatively impact the treatment milieu (physical violence or aggression, threats, sexual inappropriateness).
- Individual is not experiencing intoxication that requires medical detox services or results in behaviors that are disruptive to the milieu.
- **Individuals on a Trial Visit or Diversion** who have voluntarily agreed to participate in services to avoid a revocation hearing or a civil commitment hearing.

**The Beckett Center is NOT able to accept individuals at this time who are:**

- Class 2 and 3 Registered Sex Offenders
- Individuals in need of seclusion or restraint services
