

HCHV Program

Veterans Transitional Housing

Program Details.

ColumbiaCare's Health Care for Homeless Veterans (HCHV) Program offers transitional housing in Jackson County for Veterans who are struggling with homelessness. This program can serve up to 10 Veterans for short term stay. Program staff are available 7 days per week with an onsite live-in Apartment Manager.

Various Support Groups and Meditation are offered 5 days per week, and each Veteran will receive a personalized "Recovery Care Plan" to outline specific goals for obtaining more permanent housing in the future.

ColumbiaCare works closely with each Veteran's VA Case Manager while enrolled in the HCHV Program. All referrals for the program come directly from the local Veterans Association.

For more information about the HCHV Program, please contact **Matthew Havniar**, HCHV Case Manager at mhavniar@columbiacare.org.
